Contents

Industrial Electronics & Control Systems

M. Imecs

- A Survey of Speed and Flux Control Structures of Squirrel-Cage
Induction Motor Drives** 5

D. Fodor

- Experimental Investigation on Robust Control of Induction Motor
Using H_∞ Output Feedback Controller** 29

A. Kelemen, N. Kutasi

- Lyapunov-Based Frequency-Shift Power Control of Induction-Heating
Converters with Hybrid Resonant Load.....** 41

A. Gligor

- Design and Simulation of a Shunt Active Filter in Application for
Control of Harmonic Levels.....** 53

A. M. Puşcaş, M. Carp, P. Borza, I. Szekely

- Measurement Considerations on Some Parameters of Supercapacitors** 65

A. György, L. Kovács, T. Haidegger, B. Benyó

- Investigating a Novel Model of Human Blood Glucose System at
Molecular Levels from Control Theory Point of View** 77

S. T. Brassai

- FPGA Implementation of Fuzzy Controllers and Simulation Based on
a Fuzzy Controlled Mobile Robot.....** 93

Computer Science

B. Genge, P. Haller

- Extending WS-Security to Implement Security Protocols for Web
Services.....** 105

A. Magyari, B. Genge, P. Haller

- Certificate-Based Single Sign-on Mechanism for Multi-Platform
Distributed Systems** 113

Broadcast Technology

<i>B. Formanek, T. Ádám</i>	
Rate Control in Open-Loop MPEG Video Transcoder	125
<i>D. Dalma, T. Ádám, B. Formanek</i>	
Subjective Video Quality Measurements of Digital Television Streams with Various Bit-rates.....	133
<i>S. Székely, T. Szász, Z. Szappanyos, Zs. Tófalvi</i>	
Challenges in a Web-enhanced Personalised IPTV Service.....	143

Signal Processing

<i>Z. Germán-Salló</i>	
Adapted Discrete Wavelet Function Design for ECG Signal Analysis	155
<i>P. Szoboszlai, J. Turán, J. Vásárhelyi, P. Serfőző</i>	
The Mojette Transform Tool and Its Feasibility.....	163
<i>Sz. Lefkovits</i>	
Assessment of Building Classifiers for Face Detection	175
<i>J. Domokos, G. Toderean</i>	
Text Conditioning and Statistical Language Modeling Aspects for Romanian Language.....	187

Mechatronics & Industry Applications

<i>Gy. Patkó, Á. Döbröczöni, E. Jakab</i>	
Past, Present and Future of Teaching Mechatronics at the Faculty of Mechanical Engineering and Informatics of the University of Miskolc....	199
<i>B. Varga, I. Száva</i>	
Phase Transformations in the Heat Treated and Untreated Zn-Al Alloys	207
<i>R. Musat, E. Helerea</i>	
Parameters and Models of the Vehicle Thermal Comfort	215
Acknowledgement	227
