

Acta Universitatis Sapientiae

**Electrical and Mechanical
Engineering**

Volume 3, 2011

Sapientia Hungarian University of Transylvania
Scientia Publishing House

Contents

Telecommunications & Signal Processing

<i>P. Megyesi, S. Molnár</i> Action Descriptive Strings.....	5
<i>R. Handbauer, Cs. Simon, M. Maliosz</i> Photo Tagging in Urban Environments	15
<i>A. Kalmár, G. Öllös, R. Vida</i> Analysis of an Event Forecasting Method for Wireless Sensor Networks	26
<i>S. T. Brassai, L. Bakó, L. Losonczi</i> Assistive Technologies for Visually Impaired People	39

Industrial Electronics & Control Systems

<i>S. Kazi</i> Adaption of Energy Production to Forecast Values Using External Storage.....	51
<i>L. Turos, G. Csernák</i> Widely Configurable, DC Operated UPS for Small and Mid Sized Battery Backup Applications	61
<i>K. György, A. Kelemen, S. Papp, L. Jakab-Farkas</i> Theoretical Study of the Gradient Method to Find the Optimal Control for the Reactive Sputtering Process	82

Mechanical Engineering

<i>M. Máté, D. Hollanda</i> Study of the Edge Profile Variation Caused by the Re-sharpening by Profiled Milling Heads with Cutting Inserts	93
--	-----------
