## Information for authors

As a broad-based professional and international journal, the Acta Universitatis Sapientiae, Economics and Business welcomes submissions of applied and theoretical research papers in all fields of Economics and Business. The journal especially encourages submissions on research from management, marketing, quantitative methods and their applications, regional economics, regional development, agricultural economics, and finance. However, the journal is open to research coming from other areas of Economics and Business as well. The primary interest is to publish academic research, but the journal also welcomes good quality research coming from practitioners.

One issue is offered each author free of charge. No reprints will be available.
