Instructions for authors

Acta Universitatis Sapientiae, Social Analysis publishes empirical and theoretical studies, research notes and commentaries, book and conference reviews in the field of regional sciences.

The focus of the journal is primarily oriented towards East-Central Europe and its regions. Empirical findings, policy analyses and critical essays aiming at describing the processes of social development, cultural reconfiguration and associated discourses taking place in this part of Europe are particularly welcome.

Acta Universitatis Sapientiae, Social Analysis is a peer-reviewed journal. All submitted manuscripts are reviewed by two anonymous referees. Contributors are expected to submit original manuscripts which reflect the results of their personal scientific work. Manuscripts sent to the journal should not be previously published in other journals and should not be considered for publication by other journals.

All papers are to be submitted in English, in A4 format, electronically (in .doc or .docx format) to the e-mail address of the journal: **acta-social@acta.sapientia.ro**.

Manuscripts should conform to the following guidelines:

The length of the papers should not exceed 7,000 words (respectively 3,000 in the case of commentaries and reviews) and manuscripts should be accompanied by a 200–250-word abstract, with 3-4 key words and with authors' affiliation. Tables and graphs, if any, should be prepared in black and white, should be titled, numbered, and integrated in the main text. References should follow the author–date system of the Chicago Manual of Style (<http://library.osu.edu/help/research-strategies/cite-references/chicago-author-date>). The list of references should appear at the end of the manuscripts.

Acta Universitatis Sapientiae, Social Analysis is published twice a year: in May and December.
