Information for authors

Acta Universitatis Sapientiae Informatica publishes peer-reviewed, high-quality original papers and surveys in English, in all areas of Computer Science and allied fields. The papers must be self-contained, including the purpose of the research, the basic definitions, the antecedents of the research, the presentation of the state-of-the-art and novel contributions. The articles must contain sufficient references to give the reader a broad view of the studied subject. Articles must follow the technical requirements described in the Instruction for Authors. Please note, that if an article fails to do so, it will be rejected without peer-review. The submitted papers should not be considered for publication by other journals. The corresponding author is responsible for obtaining the permission of coauthors and of the authorities or institutions, if needed, for publication, the Editorial Board is disclaiming any responsibility.

The papers have to be prepared carefully, and must include the relevant keywords, and the appropriate ACM Computing Classification System (http://www.acm.org/about/class/1998) and AMS Mathematics Subject Classification codes (http://www.ams.org/msc/). References should be listed alphabetically based on the Instruction for Authors given at the address http://www.acta.sapientia.ro.

Papers published in current and previous volumes can be found in Portable Document Format (pdf) form at the address: http://www.acta.sapientia.ro.

Submission must be made by email (acta-inf@acta.sapientia.ro) only, using the LaTeX style and sample file at the address http://www.acta.sapientia.ro. Beside the LaTeX source a pdf format of the paper is necessary too.
